Dated, this the 23rd day of February, 2007

A candidate in the licence test for Document Writers and Scribe has filed this writ petition alleging malpractice. According to the petitioner the question papers in the examination held in Malayalam were printed, while the question papers given in the examination held in Kannada were photocopies. The learned Government Pleader stated that there were only eight candidates in the State for writing the examination in Kannada and therefore photocopies were taken. I find the explanation given by the Government Pleader justifies the action. This writ petition is accordingly dismissed.
